The wireframe illustrates the layout of the 'Help Bunnies' website. It is divided into three main horizontal sections: Top, Main, and Bottom.

Top Section: Contains a navigation bar with a 'Logo' placeholder, links for 'Rabbit Breeds', 'Rabbit Care', and 'Rabbit Food', and a prominent orange 'DONATE' button.

Main Section: Features a large 'DONATE' heading. A callout box provides instructions: '1. 클릭할 경우 색상 변경' (Color changes when clicked) and '2. 본인이 원하는 금액 입력가능' (Amount can be input as desired). Below this is a 'Frequency' section with 'Monthly' and 'One-off' options. The 'Amount' section includes buttons for '\$25', '\$50', '\$100', and 'Other', followed by a custom amount input field. A 'DONATE' button is positioned below the input field. Numbered callouts (1-1, 1-2, 1-3) highlight the 'One-off' button, the 'Other' button, and the 'DONATE' button respectively.

Bottom Section: Contains a newsletter sign-up area on the left with the heading 'SIGN UP TO OUR NEWSLETTER', a brief description, and input fields for 'First name', 'Last name', and 'Email address'. It also includes a checkbox for 'I have read and agree to the [privacy policy](#)' and a 'SUBMIT' button. On the right is a 'SIGN IN >' button and a 'DONATE >' button, both overlaid on a background image of a rabbit.

The footer includes the copyright notice '© Help Bunnies'.
